

▶ **Prestigious Textiles**

At the heart of the new Portobello fabric collection by Prestigious Textiles, lie five distinctive yet complementary designs: Summer Bloom and Delilah feature, respectively, truly massive flower heads and trailing palms interpreted through simple colour-blocked forms. The pair teams with an equally powerful leaf motif dubbed King's Road, in addition to an exaggerated barcode stripe (Henley) and a softer rippling wave (Regatta). *enq 145*

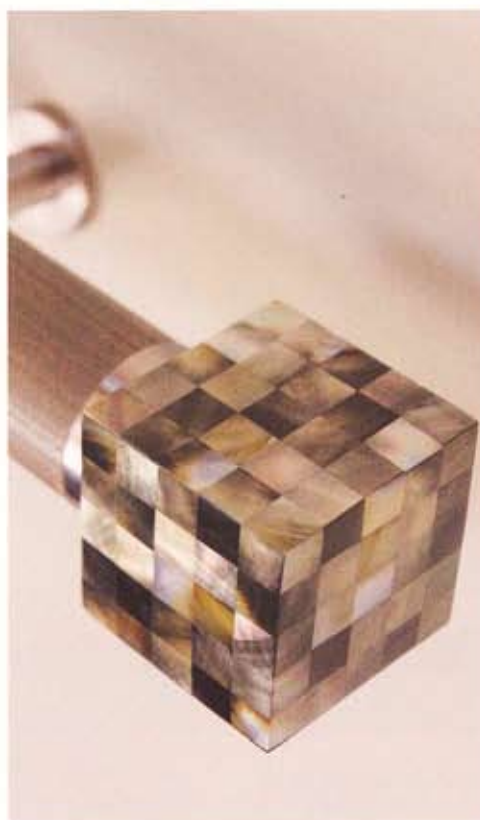

▼ **Bryony Alexander**

Bryony Alexander are leading designers and suppliers of Perspex curtain poles, finials and accessories. With a sparkling collection that also includes hand blown glass, crystals and metals in a wide variety of styles and colours there is something to suit every taste from classic simplicity to colourful contemporary. *enq 146*

▼ **Duoflor**

Following on from its very successful introduction into the market, Duoflor have added a bright new range of nine colours - white, cream, beige, orange, red, green, blue, brown and grey - to the Nutra Collection. The lightweight fabric, at 80g/m<sup>2</sup>, comes in widths of 240cm and with a maximum height of 200cm, and has been designed exclusively for the Duoflor concept which combines the traditional venetian blind and a modern roller system. *enq 148*

◀ **Walcot House**

Create exciting colour combinations in subtle hues as well as vibrant colours, with the Walcot House collections of contemporary curtain poles, finials and accessories. Many of their exclusive finials are available in a variety of colourways to perfectly complement fabrics. These can be combined with matching holdbacks and hanging systems to create a seamless, unique scheme. *enq 147*

▶ **The New England Shutter Company**

Traditional louvred shutters give radically different looks when covered in handstitched leather, suede or fabric. The New England Shutter Company offers a unique range of leathers and suedes from simple neutrals through to vibrant shades and will also cover shutters in clients' own fabrics. New England Shutters also come in solid natural woods including maple, oak, cherry, teak and walnut. *enq 149*
